TUITION AND FEES

School tuition is a yearly commitment. Tuition payment may be made in one full payment or on a monthly payment plan administered through FACTS Management Company. Enrollment in FACTS is mandatory for each family. A flat fee of \$41.00 per family will be required at the time of registration for this service. Tuition and fees not received by the tenth (10th) day of each month incur a late charge of \$25.00. The child will not be allowed to attend the class after the twentieth (20th) day of the month until all fees are paid in full. A \$25.00 fee will apply for failed auto-debit and/or returned checks.

The tuition and fees are listed on a separate document. After-school may be available at an additional charge. Bus transportation is available at an additional charge.

- \$300 Registration (non-refundable)
- \$300 Textbook Fee

Limited financial aid is available. Applications are processed through FACTS Grant & Aid Assessment and are approved on a first come first served basis. Deadline for submitting new and renewal financial aid applications is July 17.

Tuition, as in virtually all independent schools, does not meet the full cost of educating the student. The difference between tuition and the actual cost is made up by fundraising, primarily through the Annual Fundraising Dinner. Parents are expected to participate to the best of their ability in supporting these crucial activities.
